**A Teacher....A Coach....  
A Man Demanding  
Total Effort**

## **Theodore Miller**

In dedicating our AQUILO to you, Mr. Miller, the Class of 1972 salutes you, not only for your excellent teaching, but also for your outstanding coaching. The achievements your teams have attained in basketball, track, and cross country are of championship quality. These enviable records can only result from endless hours of work and dedication including weekend and summer practices. You have given one-hundred percent of yourself, and only ask the same in return. You strive to build character and good sportsmanship in young men as they learn to accept discipline of mind and body. Through your superior coaching, North East High School has become well known throughout the State of Pennsylvania. Just as the past eleven years have been filled with countless triumphs, may the future years be as rewarding.

## Glen D. Muirhead, B.A., M.Ed.

**Muskingum College  
University of Pittsburgh**

Somewhere a road sign advises us to look on each new day as the first day of the rest of our lives. Your Yearbook theme bears this out by not emphasizing the closing of your High School career but the beginning of a new phase of your life.

Certainly we trust that your educational experiences in school have contributed toward building a strong base from which to launch yourself into this new dawn. We appreciate your contribution to the improvement of your school through your participation in classes and activities and wish you even more success as you continue your progress.

As you establish your goals for each new day we suggest that you evaluate your accomplishments in accordance with this advice:

'Count that day lost,  
whose low descending sun  
views from thy hand  
no worthy action done.'

Sincerely,  
Glen D. Muirhead  
Superintendent

## **Donald G. Claypool, B.S., M.Ed.**

**Indiana State University  
University of Pittsburgh**

The Class of 1972 will be long remembered as will your senior year that was so eventful in so many ways. We have tried to do our best to help you mature and learn and develop understanding as well as skill and knowledge. We have seen your Class hang on to some old traditions and we have been pleased that you have branched out to new areas that hopefully will become the traditions in years to come

This has been a year of ecological dedication nationally and even North East and your Class has been touched by the growing importance of our environment

We wish for you a most productive and happy future

Sincerely,  
Donald G. Claypool  
Principal

# Matthew F. Hamilton, B.S., M.Ed.

California State College  
University of Pittsburgh

We have all been blessed with certain talents, and if those talents are to be of value to us and our fellow man, they must be put to use. Your graduation from high school indicates that you have had the desire to improve those talents and you are to be commended for this.

However, a high school diploma is no guarantee that you will be a success. It does indicate that with effort on your part you should be. Effort applied in the right direction, coupled with the use of your talents will enable you to assume an active place in the world in which you will live and work. Your high school diploma is your passport into this world and how successful you will be is up to each of you. Congratulations and best wishes to each graduate

Sincerely,  
M.F. Hamilton  
Assistant Principal

**The Flight of Youth**  
There are gains for all our losses,  
There are balms for all our pain;  
But when youth, the dream, departs,  
It takes something from our hearts  
And it never comes again.

Something beautiful is vanished,  
And we sigh for it in vain  
We behold it everywhere,  
On the earth, and in the air,  
But it never comes again.

## Triumph State Team History

Cross Country is a challenge to an individual and a test of one's courage, perseverance, and determination. It demands the ability to hang on when there is nothing left on which to hang. When the fibers of every muscle and the lungs are bursting and begging for their owner to stop, the boy digs down a little deeper and runs a little harder as others falter. For those who have never run long distance races, there is no way to explain what compels those who do, for those who do, there is no need. The race begins with the sound of a starter's gun and ends two and one half miles and thirteen minutes later, slightly less or more depending on the conditions of the course, the weather and the ability of the competitor. Those two and one half miles are separated by hills, roads, sidewalks, streams, swamps and mental obstacles defying description.

North East's first varsity cross country team was formed on September 21, 1961, and was comprised of seventeen boys under the direction of the present coach Ted Miller. It had the distinction of being the first cross country team in Erie County. Although practice was late in starting, the "Pickers" managed to win a varsity meet against Erie Tech by a 22-23 score after losing its opener to the same school 32-27. At the District 10 Meet in 1961, Maroon and Gold boys finished fourth in a field of twelve teams, with a North East runner qualifying for the State Meet. Since that day no State Meet has been run without representation by a team or individual runner from North East.

After posting the only losing season of his career, Coach Miller's teams went undefeated in 1962 and 1963. Running in four inches of snow, the 1962 team won for North East its first of seven District 10 Titles. Although not very strong, the 1964 team ended the year with a fine record of six wins and four losses along with the runner up spot at District. 1965 saw the "Pickers" return to form as they ran to the Gannon Class B and District 10 Titles. The Maroon and Gold team of 1966 was perhaps one of the finest teams ever assembled in Class A or B, up until this time. The team won eight, losing only one and that one by a single point, in a hail storm, to Warren, which later that year won the Class A State Title. The season ended with County and District Titles and a third place finish at State. The teams from 1967 through 1970 upheld this outstanding tradition.

When Cross Country began on that sunny day late in September of 1961, few of the original seventeen runners ever gave the thought of a State Title serious consideration. As the years wore on the runners began to believe that it was possible. However, it took eleven years of hard work, planning, dedication and thousands upon thousands of miles. New meaning was given to the long hard workouts, the summer running, and the strenuous weight-lifting, when at State College on the morning of November 7, 1971, the PIAA State Championship Trophy was handed to a happy Coach and seven happy runners. This was another first for the County, District 10, and North East.

Robin.

(EVERYTHING)

To my sister, & Edw. Et al. I am so sorry to have to tell you that we are still in touch with the  
my old times & Bill and I will be in touch  
as soon as possible. I am so sorry to have to tell you that we are still in touch with the  
that Bill and I will be in touch as soon as possible.  
Yet, & we are still in touch with the  
friends we are still in touch with the  
I hope you will always be well.

### Acknowledgement

The 1972 Aquila Staff wishes to extend our appreciation to the administration and faculty for their cooperation during the development of this yearbook. Many thanks to Mr. Walter Paprock and the Wawsworth Publishing Company for their assistance and patience. We would also like to thank the Patrons who helped defray the cost of this book.

And now the time has come

and so my love, I must go,

and though I lose a friend,

in the end you will know, oh,

One day you'll find

that I have gone,

but tomorrow may rain

so I'll follow the sun.
